IT Support Tools: Microsoft Office 365, Windows OS, Networking, Remote Desktop

Others: Arduino (Robotics), Troubleshooting, Installation, Data Recovery, Adobe Suite, CorelDRAW.

WORK EXPERIENCE

Graduate Trainee - Software Development - SAIL Innovation Lab | March 2025 – Aug 2025

- Built and deployed full-stack web applications using React.js, Node.js, and MongoDB.
 - Spearheaded the development of TradeLink, a digital marketplace for local vendors and artisans.
 - Recognized for delivering high-quality code, effective teamwork, and creative technical solutions.
-

Robotics Instructor IT Prowess, Lagos | Sept 2024 – Present

- Trained over 90+ students in hands-on robotics using Arduino, sensors, and embedded systems.
- Created and implemented a robotics curriculum used in multiple Lagos schools.

- Led student teams to victories in school STEM challenges and robotics competitions.
-

IT Support Specialist *PJ Digital Affairs, Lagos | Aug 2022 – May 2024*

- Resolved 95% of IT support tickets within timelines, improving user satisfaction ratings by 40%.
 - Automated key system maintenance tasks, significantly reducing system downtime.
 - Trained junior staff on remote support tools and internal IT procedures.
-

Web Developer (Remote) *Edawah Technologies Ltd, Oyo | Aug 2020 – Jul 2022*

- Delivered 15+ custom websites and dashboards with HTML, CSS, JS, PHP, and MySQL/MongoDB.
 - Enhanced client SEO and performance through responsive design and code optimization.
 - Provided long-term technical support and training to clients for content and hosting management.
-

STEM Tutor *Future Builders College, Ikorodu | Mar 2015 – Dec 2018*

- Boosted student performance in Mathematics, Further Mathematics and Physics by over 50% through hands-on teaching.
 - Integrated educational technology into classrooms to improve student engagement.
 - Mentored students who later achieved top positions in science fairs and WAEC results.
-

EDUCATION

B.Sc. Mathematics | *Lagos State University (2019–2023) — Second Class Upper Division*

ND, Computer Engineering | *Moshood Abiola Polytechnic (2014–2015) — Upper Credit*

INTERESTS

- Software Development & Web Applications
- Robotics & STEM Curriculum Design
- IT Support & Troubleshooting
- Project Leadership & Mentoring
- Time Management & Productivity
- Technical Communication & Customer Service
- Creativity, Adaptability, and Innovation
- Networking & Researching
